WEDDINGS AT BUDA HISTORIC HOME & GARDEN

Step back in time to the Victorian Era and walk along the gravel paths, reliving yesteryear. Relax in Buda's heritage garden, with the historic house and the purpose built Garden Room as a backdrop. The charming intimate Garden Room, as its name implies, overlooks the grounds and outdoor entertainment area of the Formal Garden.

Amble along pathways including Miss Hilda's Walk, the Pergola Walk and onto the Formal Garden, where many a delightful wedding ceremony has taken place. There are a variety of romantic settings to choose from, whether on the stone steps overlooking the pond and fountain, or underneath the branches of the ancient oak.

The Garden Room can seat 70 people or hold to 100 in an informal setting, or why not set up marquees on the Formal Garden for an outdoor wedding that will accommodate up to 150 people. Guests are able to walk through the grounds including the courtyard with its historic aviary and the rose garden, and appreciate the essence of Buda.

The Garden Room is a very versatile space which adapts to any type of function. Catering can be arranged to suit your requirements, or you can choose your own caterer. The kitchen is equipped with a commercial oven/stove, dishwasher, fridge, crockery and cutlery.
